**Come and Join us
2018 Spring Westie Walk**

Please join us to kickoff the first Westie Walk of 2018! What a great way to get out, stretch your legs, and treat your best friend to some fun. Meet us at the garden area behind the buildings @ 10am. (see below under directions) The walk will be around a mile and a half, but there are many options for those wanting to do shorter or longer walks

First order of business is sign-in followed by a group photo. Then we will alight off for our trek. It will be a fun afternoon to share time with other Westie owners.

Bring: your own lunch and a blanket, or towel to sit on. We will have our lunch “noonish” as well as a short general meeting. *Remember to bring your poop bags, and water for your dog.*

Directions to Walk : When you enter the site keep going past the first set of parking spots and go towards the buildings. Follow the road around to behind the buildings and park there. We will meet in the garden area behind the buildings where there are picnic tables and benches. To get to the Treatment Plant from north or south, follow these directions:
